User Guide for Temporary Limit Enhancement Facility Subscription <u>through myABL</u>

Step 1: Users can enhance their default limit using temporary limit enhancement feature. To access this feature user will navigate from Main page to Cards \rightarrow Debit Cars \rightarrow Temporary Limit Enhancement.

Step 2: User will select the desired transaction type on which temporary limit enhancement is required.

Step 3: The next screen will show the transaction type, temporary enhanced limit amount and subscription fee and user will either select 'Continue' option to complete the subscription or 'Cancel'.
